

The Eric store has not been open for a year now to accident I had on November 30, 2019.

I am doing better now Sense the COVID-19 struct I just have not opened the store and I will keep you posted list On Facebook Twitter an on Eric's Store blogs when the store will be open the store is only online Then also too, I had to find inventory in other things and build a new website are we open the site that I have to I just have things to workout. I think I will have the store open By Christmas of this year.

Thank you for your patience
